7th Annual Conference of the Neurological Surgeons' Society of India

Date: - 23rd to 25th February 2018

Venue:- Atal Bihari Vajpayee, Scientific Convention Centre, King George's Medical University, Lucknow, India

GENERAL INFORMATION

About NSSI: -

The Neurological Surgeon's Society of India exists to enhance health care and to improve the quality of lives through the advancement of neurosurgical education and scientific exchange. Our objective is to enable our members to enhance the health care they deliver to their patients by facilitating the exchange of scientific information at the highest level. In pursuit of this goal, we arrange a wide range of meetings, conferences and educational courses yearly. NSSI is the premier educational organization in the field of neurological surgery in the country. Our mission drives us to cultivate quality neurosurgeons. By means of our scientific journal "Indian Journal of Neurosurgery" we advance the practice of neurosurgery in India by inspiring and facilitating scientific research and foster its translation to clinical practice. Moreover, our goal is to facilitate and strengthen the relationship amongst the members of society and thereby further build a strong network of co-operation between Neurosurgeons within the country and globally. It is also our responsibility to formulate institutional and national policies on matters of debate with conflicting management principles of neurosurgical ailments considering the prevailing scenario in country like ours.
